Hello, how was your day? Do you still remember me?

My name is Mrs. Aisha Gaddafi, I was the lady that contacted you before concerning my inheritance fund before for your help so that i will transfer the fund to your position but its fail us out of financial difficulties for the banks required fees, but I have finally succeeded in transferring the fund, nevertheless I know that is your wish to help me then no matter that it fails us somehow. I'm happy to inform you about my success in getting the fund transferred under the cooperation of a new partner from Sri Lanka through the help of Reverend Father Christian.

is the Catholic priest that used to visit the refugee camp and pray for me in the refugees camp when i was in Burkina Faso, I am very busy here in Sri Lanka because of the investment projects which I and my new investment/partner Mr. Peter Nguyen and George Spencer of CTL Company are having at hand. Meanwhile, I didn't forget your past efforts and attempts to assist me in transferring these funds despite the fact that it failed us somehow.

Now you will need to contact the Reverend Father Christian. Whom i trusted in Burkina Faso, his email address is: (rev.father.chr@priest.com) Ask him to send you ATM CARD of three hundred thousand Dollars (300.000.00 US DOLLARS) which I prepared and kept for your compensation for all the past efforts and attempt to assist me in the past. I appreciated your efforts at that time very much. So feel Free and get in touch with Reverend Father

Christian. And instruct him where to send you the ATM VISA CARD so that you will be cashing the money bit by bit. Contact him through this E-mail Address (rev.father.chr@priest.com)

Please do let me know immediately you receive the ATM Visa Card so that we can share our joy after all the sufferings at that time. At the moment, I am very busy here because of the investment projects which I and my investment/partner are having at hand, finally, remember that I have forwarded instruction to Reverend Father Christian. on your behalf to receive that ATM Visa Card Therefore feel free to get in touch with him and direct him how to send it to your position without delay. Take care and bye for now. Please remember that everything I do is secret up till now. Because the enemy surrendered me.
